TENTERDEN TOWN COUNCIL

MAY FAYRE SUB-COMMITTEE

MINUTES OF THE MEETING HELD 19th April 2018 at 7pm

PRESENT:

Town Councillors: M. Hickmott, Mrs. P. Smith, Miss N. Gooch, H. Edwards

Non-Councillors: Mr. C. Marsh, Mr. J. Mills, Mrs. E Brookes

Tenterden Town Council Staff: Ms. S. Ratcliffe

1. **APOLOGIES FOR ABSENCE:** Ms. J. Henwood (Medi-Vets) and Ms. C. Reese (Medi-Vets)
2. **MINUTES:** The minutes of the last meeting held on 21st March 2018 were agreed.
3. **CORRESPONDENCE:**
 - An email has been received from Julia and Clare from med-vets regarding the rosettes for the Dog Show, Clare has found a set on eBay for £37. It was agreed that Sharon would order these.
 - An email has been received from The Royal British Legion requesting a stand, Cllr. Hickmott confirmed that this has been booked.
 - A message has been received from The Deputy Town Clerk saying that the Events Notification and TENS form have been submitted.
4. **FINANCIAL POSITION:** No change.
5. **FINAL PREPARATIONS:**
 - Sharon will organise stickers for the participants to wear for the Dog Show and forms for the list of participants. Medi-Vets will be asked to design their poster. Sponsors have been found for six categories so far. Three judges need to be found and the categories still need to be decided.
 - It was decided to keep all three dog stands next to each other – The Dog Show, Hypo Hounds and Sandra's dog display.
 - The Army Cadets have confirmed that they will be attending.
 - The Town's Freeman, Roger Champion and Raymond Crawford have confirmed that they will be attending.
 - South East Water have requested an information stall.
 - Tenterden Dance Academy and Brookes Dance Academy have confirmed attendance. Emma Brookes will be providing a stage for her group which will be set up at 10am and dismantled after their performance.
 - Tenterden Ballet Studio have booked a stand.
 - The Tenterden Town Council Maintenance Team have been requested for Sunday 6th May – one person to meet Cllr. Gooch at Highbury Hall with the buggy and trailer to collect tables and chairs. Monday 7th May – two people 8am to 12 noon to set up and steward traffic, and two people again at 3.30pm to 5.30pm with the sand, wheelbarrow and shovel.
 - Jon Slegg has confirmed he will be able to provide First Aid.
 - The cavalcade will meet at Morse Field to depart at 11.45am.
 - Alan Brice has offered to bring his miniature Steam Wagon. The insurance policy needs to be checked to see if we are covered for this.

Draft until next meeting date TBC

- It has still not been decided where to store items after the event now that Cllr. Edwards can no longer accommodate them. These include spiles, orange fencing, trench pins, hurdles – two long and two short.
- Cllr. Hickmott will make an appearance as Town Crier.

6. **ANY OTHER BUSINESS:** None

7. **DATE OF NEXT MEETING.** TBC

Tenterden Town Council

TOWN EVENTS – a proposed policy

Definition: On-going events that the town council decides are of sufficient importance to Tenterden parish as to warrant public money being used on an on-going basis to support them

Framework: If an event is identified by the town council as a Town Event, the council would determine the level and manner of financial and other direct support to be given to that event from time to time, with the direct financial element being included in the precept

Requirements: While treated as a Town Event, the organisers would be required to-

- (a) allow a representative of the town council to attend meetings of the event's organisers to act as liaison between those organisers and the council
- (b) ensure that it has robust and transparent procedures for recording income and expenditure and that such procedures are followed
- (c) supply to the council (in confidence and within eight weeks after each event or by the end of October each year, if later) the organisation's financial accounts for that date, identifying the classes and amounts of income and expenditure for the event and other fund-raising or expenditure, the profit/surplus or loss made and the amount of funds held by the organisation towards the next event
- (d) be willing to supply to the town council such supplementary information about the event and its funding as the External Standing Committee of the town council deems appropriate
- (e) include on its publicity for the event and associated activities an acknowledgement of the support given by the town council (and the council's coat of arms or other logo, if practicable)

Principles: In supporting Town Events, the town council should follow these principles –

- (a) The organisation running the event should be encouraged to self-fund as much as possible, with the council's financial contribution being limited to match-funding subject to a maximum level specified from time to time by the council.
- (b) Each Town Event should be the subject of a specific entry in the council's annual accounts
- (c) As the accounts for each Town Event are received, they should be reviewed by the town council's Donations & Loans Sub-Committee, reporting to the town council's External Standing Committee, with a view to ensuring that on-going support remains appropriate or (as the case may be should be adjusted)

Draft 2: 08 May 2018: Cllrs Justin Nelson and Ken Mulholland

Sports Review – Minutes

Meeting at 2.30 p.m. Wednesday 2nd May 2018 in the Mayor's Parlour, Town Hall, Tenterden.

Present:

TTC: Cllrs Mike Carter, Roy Isworth, Alan Sugden, Ken Mulholland & Justin Nelson.

Sport Tenterden: Graham Smith

Tenterden Juniors: Glenn Thompson

Ashford Borough Council: Cllr Paul Clokie (Chair), Cllr Mike Bennett, Ben Moyle & Len Mayatt

In attendance: Town Clerk, Phil Burgess (Minute taker).

1. Apologies for absence. None

2. Minutes of the last meeting. Agreed.

3. Football Provision

Proposed 3G pitch at Homewood and Pitch Equivalence The latest communication from Sport England and a subsequent meeting between Ben Moyle and the Football Foundation and Kent County FA indicated that the 3G pitch at Homewood would qualify as a replacement for the recreation ground pitch provided the following conditions were met:

- A strong Community Use Agreement
- A signed Agreement on hire costs - ie the School would be bound not to make unreasonable annual increases on hirers.
- Provision of changing rooms to the standard and proximity required of the league TTFC play in.
- An approved maintenance regime
- A Sinking Fund being in place for replacement of the carpet
- Suitable parking and access arrangements
- Hire charges being affordable by the local clubs that are expected to use the facility

It was noted that the proposed 3G pitch was only an acceptable replacement while Tenterden Town was in its current league or the one immediately above; it would be inadequate if the club progressed further and was therefore a less-than-perfect replacement, with an effect on the public funding appropriate to apply to it.

The community use agreement should be geared to ensure that the reserve in the sinking fund could not be diverted to expenditure elsewhere within the school.

In addition to the above conditions a site visit should be made to the school to ensure the following:

- Suitable access to the pitches would exist outside school opening hours

- That the changing facilities were within an acceptable distance of the new pitch Darryl Haden (KCFA), Glenn Thompson, Graham Smith and Chris Metherell of KCC should accompany TTC representatives to the school to ensure the above conditions are satisfied.

Action: Town Clerk to arrange visit with Mark Seymour

It was noted that, originally, the partnership on the proposed 3G pitch was on the basis that the 3G pitch would go hand-in-hand with the long-term use of the pitches at Appledore Road. Appledore Road has now been taken out of the equation, so the 3G pitch at Homewood is necessarily less attractive than previously.

Graham Smith and Glenn Thompson confirmed that the football clubs would still want grass pitches provided, but the early availability of a 3G pitch meanwhile was important.

Ben Moyles confirmed that (a) the existence and (b) the partial funding of a 3G pitch at Homewood would not adversely affect the availability of grant funding from the Football Foundation for grass pitches elsewhere in the town

Section 106 funding in relation to ATP Homewood school had offered to meet 40% of the pitch cost with the remaining 60% coming from S106 funding. While Ben Moyle thought the community could indeed get up to 60% of the use of the 3G pitch, the committee felt that a 40% contribution from S106 (£180,000) would be more appropriate. The allocation of S106 funding to an educational establishment was very unusual and this should be conditional on the 3G pitch qualifying as a replacement for the recreation ground pitch.

If the 3G did not qualify, the funds would be required for a new facility (see item below).

It was pointed out that if the pitch is accepted as an equivalent, this would facilitate re-ordering of the recreation ground much sooner, since the 3G could be installed as early as the school summer holidays.

Ben Moyle commented that ABC would want to know TTC's wishes regarding the S106 money, and that it would be unusual for ABC to go against those wishes

Action: Negotiation with school, following inspection of site in paragraph above

Smallhythe Road Plot

Negotiations were underway to secure a lease on a plot for football (probably 18 acres, including ponds and mature trees – could accommodate a 3G pitch as well as required grass pitches and other sports facilities) on the Smallhythe Rd. The owner requested the opportunity to build 4-6 houses adjoining the Smallhythe Rd. The planning officers had indicated that this would be acceptable in principle and if this goes ahead, the planning applications would be submitted together. Rough outline plans were available but these are at a very early stage and the plot would easily accommodate all the requirements for football pitches, being larger than the originally proposed Appledore site.

The site has the additional advantage of being adjacent to the cricket club which would benefit from an extra pitch (the club is within the same ownership). Shared facilities would be possible in view of the short crossover between the cricket and football seasons. An extension to the building would be advantageous.

Following a first inspection Graham Smith advised that the ground condition was unlikely to present too many problems when converting to pitches. The cost for grass football pitches and an extended pavilion to serve both cricketers and footballers was estimated in the region of £400,000

Paul Clokie warned that the land being in the AONB and an SSSI, and the certainty of objections from at least one local resident (probably two) meant the proposal was by no means a foregone conclusion, but it was agreed that it was well worth exploring.

Action: Cllr Clokie to arrange a meeting with the owner. Graham Smith and TTC representative would also attend

4. AOB.

5. Date of Next Meeting. TBA following visits above.

TENTERDEN TOWN COUNCIL – EXTERNAL COMMITTEE

WAR MEMORIAL SUB-COMMITTEE

MINUTES OF A MEETING ON 15th May 2018

Present: Bill Chantler (RBL & TDRA) Canon Rev Lindsay Hammond, Maj. Alan O'Hagan, Fred Walker & Cllr Justin Nelson. Member of the public Carol Douglas (who attended the Town Hall part of the meeting) & the Town Clerk Phil Burgess was in attendance.

A visit to the site of the war memorial was made to determine the final placement of the bricks and some additional suggestions were made regarding the area around the war memorial which are detailed below. The meeting adjourned to the Town Hall.

1. **Apologies for Absence.** Neil Beaven & Cllr Pam Smith.
2. **Appointment of Chairman.** Cllr Nelson remained in this role for the meeting.
3. **Minutes of the Meeting held 6th March 2018.** Were agreed.
4. **Matters Arising.** Covered in the minutes below.
5. **Siting of Commemorative Bricks.** The commemorative RBL bricks would be sited in six rows between the central bench to the south of the site and the memorial itself (see plan attached). They would be close to the bench but not immediately adjacent. The names on the bricks would face the bench.
The bright red blocks on the attached plan will be available for commemorative bricks and will accommodate at least 20. The areas (white on the plan) to the side of the two double explanatory bricks will also be available for commemorative bricks when more are allocated. 2 new bricks plus the explanatory double bricks and 2 bricks to replace those misspelt will be ordered by Bill Chantler. In total there will be 17 bricks plus 2 double explanatory bricks.
Actions:
 1. *Ordering of Bricks (BC)*
 2. *Moving of bricks by maintenance staff once new bricks received, prior to war memorial cleaning. (Note: Town Clerk to contact Alan O'Hagan and Bill Chantler to attend site when bricks are to be fitted to ensure no mistakes)*
6. **Other changes at the War Memorial.** The memorial is surrounded on 3 sides by planting. The shrubs immediately adjacent to the war memorial will be removed and be replaced by grey gravel to allow easy passage around the memorial for wreath placement. The box bush is to remain and be clipped back. The grassed area to the rear of the memorial (designed to take memorial crosses near Remembrance Sunday) is to be dug out and replaced by grey gravel to a depth which would permit the placement of crosses.
Action: Maintenance team to make changes above
7. **Arrangements for Brick Rededication Ceremony.** This will be arranged between the RBL and Rev Canon Lindsay Hammond for an 11 am start on 30th June (Armed Forces Day).

8. **RBL criteria for awarding bricks.** The following decision of the RBL at a recent meeting were noted:

Names may be added to the list and new bricks laid provided the late individual met one or more of the following criteria:

- a) Active and long-standing service to the Tenterden RBL Branch;
- b) Long-term service to the Poppy Appeal in Tenterden;
- c) Memorable service to Remembrance activities in Tenterden.

9. **Any Other Business.**

- a) Picking out the letters in black on faded names on the war memorial would be considered following the cleaning process in mid-June.
- b) Lindsay Hammond would provide Christian names for the war dead in preparation for the Remembrance Sunday ceremony
- c) A loose leaf-binder would be provided (to be held in St Mildred's) with details of the war dead. There is a good example in Wittersham church. Cllr Nelson would contact Debbie Greaves from the museum for assistance.
- d) Bill Chantler felt that no names were missing from the main war memorial although some needed to be added to the St Mildred's memorial to synchronize the two. Carol Douglas said that her research had revealed other possible names, but it is difficult to know the qualifying residential criteria employed at the time. No families had approached the RBL to request that a family member should be added.
- e) The war memorial is not registered with the war graves commission. Fred Walker would advise the clerk the details required for registration
- f) RBL presented a donation of £1050 for the cleaning of the memorial.

10. **Next Meeting 24th July at 6pm**

Meeting Closed at 19.02 p.m.

WAR MEMORIAL RBL Brick positioning

Grass	Selected	Rows	For	Commemorative	Bricks	Grass
Side Bricks			Double Bricks	Explanatory		Side Bricks
	Selected	Rows	For	Commemorative	Bricks	

Note the colours shown are for indicative purposes. Bricks will be matched in colour. The spot chosen spans the area where the path reduces in width and is bordered by bricks to the south and grass to the north. The illustration indicates the view from the bench.

TENTERDEN TOWN COUNCIL – EXTERNAL COMMITTEE

COMMUNITY TRANSPORT SUB-COMMITTEE

NOTES OF A MEETING ON 04.04.2018

Present: Cllrs. Mulholland (chair), & Miss. Gooch. Non-council members: Lorraine Burley (Ashford Volunteers), Jeremy Smith (Chairman-Wittersham Parish Council)

and Julie Mccollum taking notes.

Apologies for Absence: Cllr. Knowles, Bethan Peal (Manager- Ashford Volunteers), Brad Bradford (ABC) and Liz Thorne (TSH).

Minutes. Already forwarded by email to all members.

Matters Arising. None.

Survey results. Lorraine Burley had already emailed a copy of the survey results; these were sent to all sub-committee members. Two completed forms came in after the results were collated, Lorraine now has these.

Action.

- I) Lorraine Burley to send scanned copies of the two additional surveys to Liz Thorne.
- II) Lorraine will double check the figures in question 4.

Ashford Volunteers Report. Lorraine Burley reported that AV currently have 3 volunteer drivers in Tenterden, they are keen to get more. She also reported that issues can be caused when social service carers sign up clients who have dementia. Unfortunately, AV are often unable to help.

AV would like to advertise their service and increase the number of drivers based in Tenterden through advertising at the Councillor Day. Lorraine works with Gina Dorling, Community Care Navigator, who provides help and support; keeping people in their own homes rather than going into care. She suggested that Gina would like to be invited to the next Councillor Day as well.

Action: Lorraine will send contact details for Gina Dorling to Cllr. Mulholland so she can be invited to next Cllr Day.

Update from Tenterden Social Hub (TSH) regarding KCC application.

It was confirmed that the grant application form had been completed and sent to KCC

Overview from Cllr Brad Bradford. Cllr Bradford is meeting with Liz Thorne and Callum Knowles tomorrow (5th April) to discuss the proposed Rolvenden community transport scheme and how ABC could also support Tenterden.

Councillor Day. K. Mulholland will provide the dates for the next Councillor Day when it is available.

Any Other Business.

Tenterden Town Council Newsletter is due to be published in June. Items for publication need to be forwarded to townhall@tenterdentowncouncil.gov.uk. (There is no deadline but sooner rather than later.)

Action: Lorraine Burley to send details of AV to Town Hall for inclusion in the next newsletter.

Cllr. Gooch to contact TSH to advise them about the Newsletter.

NEXT MEETING – to be confirmed by Cllr. Mulholland.

TENTERDEN TOWN COUNCIL

External Committee - background for agenda item 11 on 11th June

Water Fountains

Background

Central government appears to be now making a concerted effort to reduce the amount of plastic and in particular, introducing a recycling scheme for plastic bottles.

As part of our local government duties, I would like to suggest we look at how we can contribute for the benefit of our town and community.

Proposal

I would like to propose that we provide a water fountain at initially four practical sites for the benefit of the local community and tourists to replenish their water bottles free of charge. This would be in addition to the fountain that is part of the leisure centre complex.

With such a scheme they should be placed in locations where the footfall is high and is protected by CCTV to prevent vandalism.

It is suggested the following sites should be considered:

1. Part of the recreational ground redesign and reordering. Possibly by the new kiosk. In the short term on the outside of the existing recreation grounds toilet. Aimed at local community.
2. In the main high street, but no obvious site comes to mind. Aimed at shoppers and tourists.
3. By the existing toilets in the coach car park. Aimed at tourists.
4. Ask the railway to provide on their property. Aimed at tourists.

Measurement of Success

1. Water usage
2. Positive comments from the community, shoppers and tourists
3. Town contribution to providing free water for all to replenish plastic water bottles

Town Clerk's note: Outdoor drinking fountains cost between £175 (wall mounted) and £450 (floor mounted) each. Installation at the toilets would be low-cost

Proposal:

1. That facilities should be provided at locations 1 and 3 above (outside toilets) immediately.
2. That a suitable location should be chosen on the High Street (permission from KCC would be sought).
3. That KESR should be approached to provide a facility with grant aid from the council if necessary.
4. That council should allocate an overall budget to facilitate the provision of water fountains

Effect on Budgets

- Cost of installation, maintenance and water usage.

Effect on Biodiversity

- Positive environmental impact

Effect on Crime

- CCTV coverage required to mitigate vandalism

TENTERDEN TOWN COUNCIL

EXTERNAL COMMITTEE
AGENDA ITEM NO. 1211th June 2018
ADMIN LIST NO. 176

REPORT DATE	FAULT LOCATION	FAULT DESCRIPTION	REFERENCE
04.01.18	Grange Road	Fallen tree blocking pavement	322404
