

Town Council 12th November 2018

St Mildred's Re-ordering

Agenda Item 7

The church re-ordering program and the requested grant of £750,000 from the Town Council present a unique set of circumstances for the Council.

At the recent presentation to the council, the church invited councillors to join their steering group responsible for taking the changes forward

The purpose of the councillors' presence will not be to recommend to council the amount of grant funding for the church, but to ensure that the relevant financial information is made available to the council and report back to the council on project progress.

The decision on the grant funding itself will be taken as part of the Town Council's allocation of funds to all projects in the Spring, which will be open to public scrutiny.

Proposal: That 3 councillors should be appointed to St Mildred's steering group.
