

TENTERDEN
Green Space
GOING

**GOING
GONE**

May 7th 2.00pm. May 8th 7.00pm. May 11th 11.00am.
Please come to a public meeting at St Mildred's Church.
Help us save the 8 out of 10 green spaces closest to
our town that are already threatened by development.

Do YOU value your Local Green Spaces?

They will all be gone if developers are allowed to have their way!

We need **YOUR** support to create a sustainable legacy for future generations in Tenterden.

PLEASE ATTEND one of the 3 public meetings we are holding in St Mildred's Church. Tuesday May 7th at 2.00pm, Wednesday May 8th at 7.00pm, Saturday May 11th at 11.00am. You'll hear how the new Neighbourhood Plan is likely to benefit **YOU**. **YOU** can have **YOUR** say. **YOU** can join one of our working groups to help **STOP DEVELOPMENT of YOUR GREEN SPACES.**

Last year, our presentation in the Town Hall resulted in a committee being formed of local residents and Councillors with the backing of Tenterden Town Council and Ashford Borough Council, to create a Neighbourhood Plan for Tenterden. It will take **YOUR ACTION** for this plan to work if we are to protect our most important green spaces from development.

PLEASE ATTEND THIS IMPORTANT MEETING

Everyone is welcome and refreshments will be served
