01. Kate Walder
Kate reported that she had resigned as a Tenterden Town Councillor. The Steering Committee voted unanimously to re-elect her to the Committee as a resident. It was felt that she had played a crucial role in bringing the NP to the Reg 14 stage and that her continued involvement was essential, both in terms of her knowledge of the Plan's progress to date and her valuable links to Ashford Borough Council in her role as Borough Councillor.

02. Update to Tenterden Town Council
The SC discussed the merits of updating TTC on the NP budget. It was agreed that this would be helpful.
Action: Stephen to draft a letter to TTC

03. Limes Land Inquiry
John reported that TTC as the qualifying body has sent the Reg 14 policies and Limes Land evidence document to the Appeal inspector.

Next SC meeting to be arranged after the Christmas holidays.
