

Steering Committee Meeting, 14 January 2022

Present:

Cllr Kate Walder
Cllr Jean Curteis
Cllr John Crawford
Irene Dibben
Siggi Nepp
Graham Smith
Joseph Franklin
Stephen Sidebottom
Sue Quinton

Apologies:

Helen Whitehead

01. Responses schedules

Sue reported that all the Reg 14 responses, both written and digital, have been incorporated into a series of schedules - one for each section of the draft Plan. Most of these have now been reviewed by the relevant SC members and their comments sent to Tony Fullwood for his input. His recommendations, which may include alterations to the Plan, will be circulated around the SC for discussion and ultimately a decision on the best way forward.

Actions: Siggi to review the schedules within her remit and forward to Tony.

Siggi to add pie-charts to response schedules at some point

02. Meeting with ABC

The SC agreed that a meeting with ABC would be helpful in order to clarify ABC's position in relation to some of their Reg 14 responses. This would allow the SC to plan its workload and ensure it is focusing on the right issues.

Action: Kate, Sue and Graham to meet separately to discuss the agenda for such a meeting, following which Kate would talk to the relevant person at ABC.

03. Limes Land appeal

It was noted that the Planning Inquiry into the proposed development of Limes Land (LGS site 4) will commence on 8th February. Due to Covid restrictions the Inquiry will be held online. It was agreed that as Limes Land is one of the NP's proposed LGS sites it was legitimate to alert people on the NP mailing list and social media feeds to this event.

It was suggested that Richard Masefield, as past-Chair of the NP SC, might like to make a statement at the Inquiry.

TENTERDEN NEIGHBOURHOOD PLAN

*Action: Kate to draft some wording and forward to Sue and Joseph.
John to contact Richard*

04. AOB

Kate reported that ABC has requested a short summary indicating the level of response received in the wake of the Reg 14 consultation.

Action: Kate to clarify with Ashford what exactly they need and then prepare something accordingly.

The response from Tenterden Town Council to the NP's letter of 17th December was noted.

Next SC meeting scheduled for 4th February at 7pm.
