

Steering Committee Meeting 16 November 2021

Present:

Cllr Kate Walder Cllr John Crawford Siggi Nepp Graham Smith Joseph Franklin Stephen Sidebottom Sue Quinton

Apologies:

Cllr Jean Curteis Irene Dibben Helen Whitehead

01. Responses schedules

Sue reported that she was in the process of collating all the responses, both written and digital, that were submitted by members of the public and statutory consultees during the Reg 14 process. She will create a response schedule for each policy and appendix as well as the vision and strategy sections. These will then be sent to the relevant working group leader to add their comments to before forwarding to Tony Fullwood for his input.

Actions: Sue to complete and distribute response schedules; working group leaders to add their comments before sending to Tony. Siggi to add pie-charts to response schedules at some point

02. Meeting with ABC

Graham suggested that an early meeting with ABC would be helpful in order to clarify their position in relation to some of their Reg 14 responses. This would allow us to plan our workload and ensure we are focusing on the right issues. It was agreed that an invitation should be sent to ABC for a face-to-face meeting with members of the SC, before Christmas if possible.

Action: John to draft a letter inviting ABC to meet with members of the SC

03. Review of LGS site assessments

A discussion was had as to whether Richard Masefield should review the site assessments. It was felt that this might be helpful to ensure nothing had been overlooked.

Action: Sue to ask Richard to review the assessments and provide additional data if available, for insertion into assessments

04. Limes Land appeal

John requested comments on the NP SC's draft submission to the Planning inspector. It was felt that further information regarding the impact of the proposals on trees in and around the site could be helpful.

Action: John to circulate draft, requesting comments by 23 November. Graham and Kate to contact arboriculturists known to them

Next SC meeting to be arranged once the meeting with ABC has been confirmed. Not Mondays or Fridays.

Action: John/Kate to notify Sue of date for meeting with ABC
