Auction in Aid of Tenterden Memory Café

Welcome! Dear Friends and Colleagues

Welcome to my Mayor's Charity Auction being held tonight on behalf Tenterden Memory Café, at Little Sliver Hotel, who have kindly provided their venue "free of charge"

Many of you will be aware of Tenterden Memory Cafe who provide excellent support to those people who live in Tenterden and the surrounding area and live with various forms of dementia.

They meet every Friday at St Andrews Parish Community Hall. In addition:

every Monday for Short Mat Bowls,
every Tuesday for Musical Memories and
every 4th Wednesday in the month for lunch.

First, I should like to thank all the donors of goods and experiences, who have generously donated to make this auction a reality.

Second, I would like to thank you all for attending tonight, I know you wish to open your wallets and purses to bid for excellent and varied lots. Your philanthropic attendance will make a huge difference to Tenterden Memory Café.

Finally, I should like to thank Catherine Southon who is our auctioneer tonight.

Catherine needs very little introduction as she is a well-known personality on auction shows such as: Antiques Road Trip; Bargain Hunt; and Flog It.

Good luck with your bids tonight.

Mayor Cllr John Crawford

Auction Procedures

Within the catalogue, each lot has a unique number with a description and in some instances a picture. The £ amount in bold is the estimated value. Lots which show * either side of the amount will only be sold via the silent auction (see instructions below).

Once an item is placed for sale, the auctioneer will start at a relatively low price to attract a large number of bidders.

When you wish to bid, please raise your paddle number so it can be seen by the auctioneer.

The price increases each time someone makes a new higher bid until finally, no other bidders are willing to offer more than the most recent bid.

If your bid is the highest bid (and exceeds any stated reserve price), the auctioneer will accept your bid.

For the silent auction, guests can spend time before the auction and during the meal to peruse the lots and then place a bid on the allocated sheet next to the item. You will need to write down your paddle number and anonymous bid. The winning bids will be announced once the main auction has finished.

At the end of the auction, payment is made to the assigned auction clerk and the lot is passed over to you. Cash, credit and debit cards are accepted.
